

OIL & GAS

Our Company

Petrofac Qatar is a Leading Provider of Engineering Equipments, Supplies & Value Added Services to the Oil & Gas, Petrochemical and Infrastructure Industries. Petrofac's core business involves providing customers with a comprehensive range of engineering products and solutions sourced from world-renowned principals and manufacturers. We have a team of professionally qualified and experienced engineers with excellent customer relationship management, dedicated to address our client's demands and requirements effectively.

Our Products

Piping

Pipes, Fittings, Flanges, Fasteners, Gaskets

Valves and Actuators

Ball Valves, Gate Valves, Globe Valves, Check Valves, Butterfly Valves, Plug Valves, Motorized Valves, Relief Valves, RSBV & DBBV, Valve Actuators

Mechanical

Heat Exchangers, Water and Waste Water Pumps, Construction & Maintenance tools, Condition monitoring tools, Valve Maintenance tools, Machine tools, Fabrication machineries.

Process

Pressure Vessels, Metering skids, Dehydration Packages, Filters and Filtration systems, Reformer tubes & Coils, Flame arrestors & Tank, Molecular Sieves

Electrical

Cables, Cable Trays, Cable ladders & accessories, Busbars, Panels, Earthing materials, Explosion Proof Junction Boxes, Light Fixtures, Cable Glands, Switch Gears

Instrumentation

Pressure, Temperature, Level and Flow Measurements, Process Analyzers, Regulators and Valve, Interlocks, Panel Instrumentation, Instrumentation, Instrumentation Tubings, Double Compression Fittings, Process Management systems.

Our Services

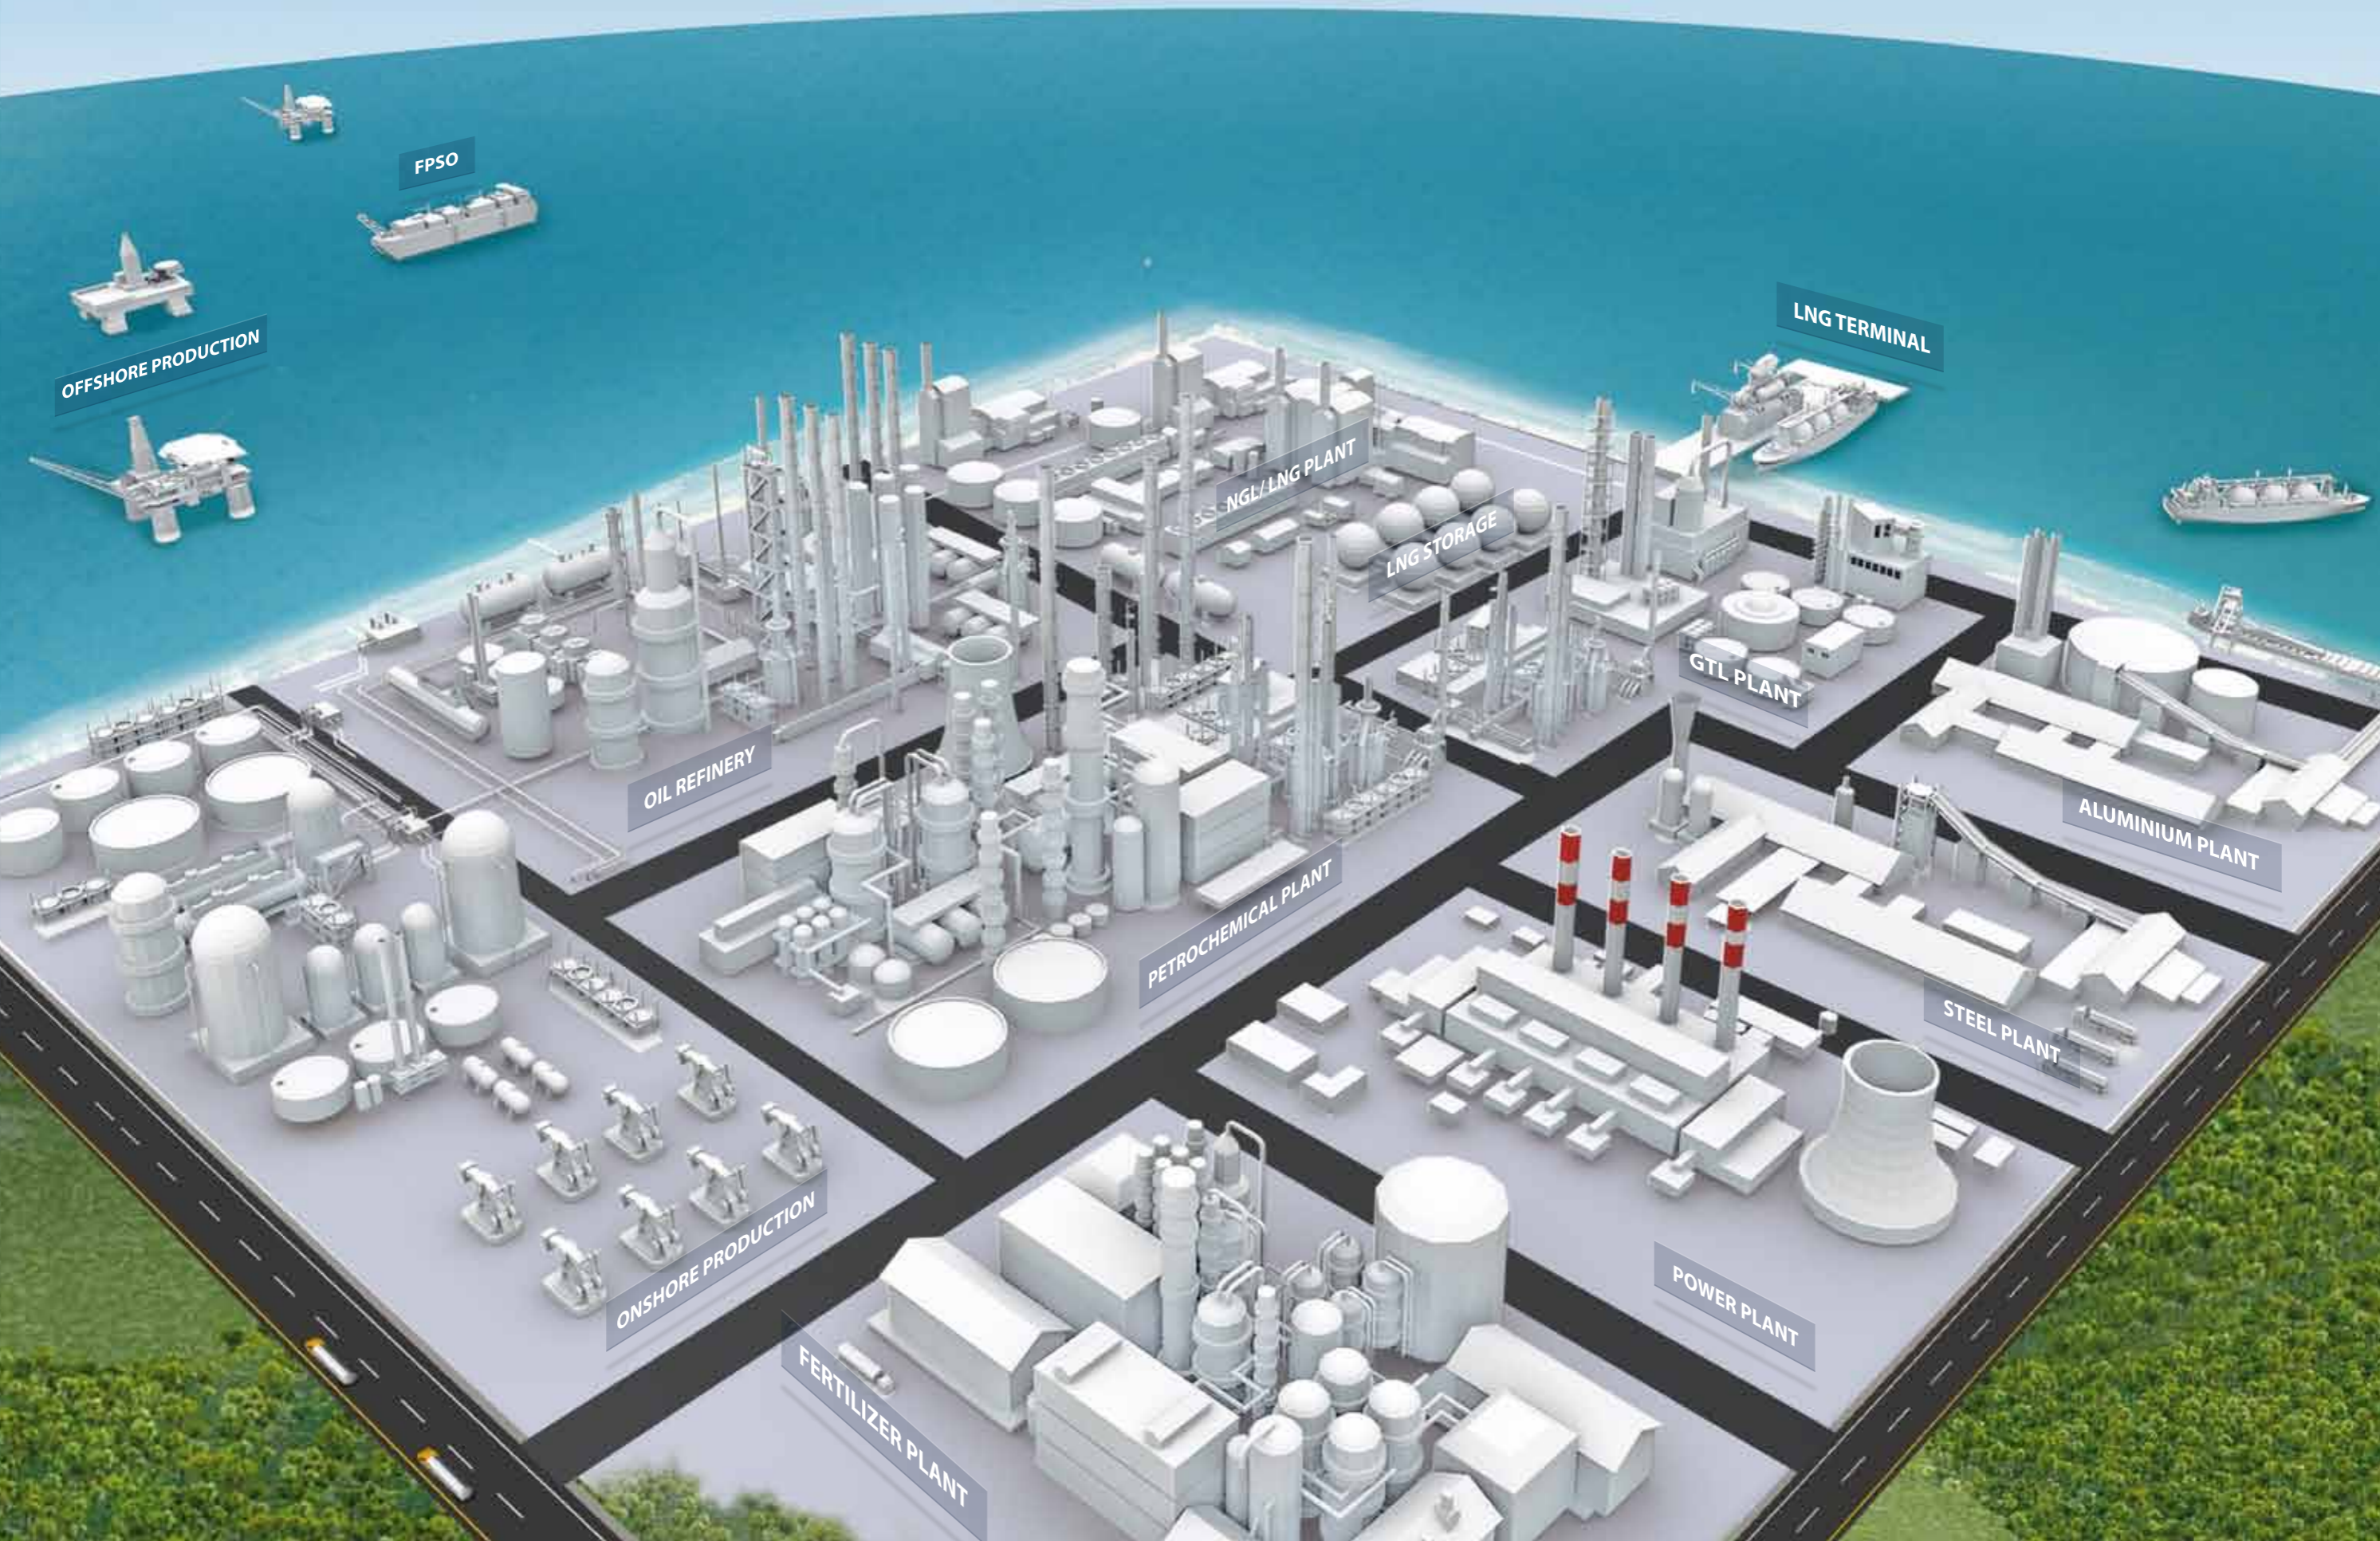

Valve Automation Services, Pumps and Valves Testing & Calibration, Valves Online Leak Sealing, Heat Exchanger Refurbishment, Torque Tensioning, Blasting & Painting, Machining & Fabrication, repairs & Maintenances, HDPE Pipe Welding & testing, After Sales Service
